

Animals that Bite

How to avoid Bites and Contact:

- Ensure a safe distance between the wild animal and those observing.
- Don't disturb animals that are eating, sleeping, ill or caring for its young.
- Avoid running or biking past wild animals.
- Wear long trousers in longer grass to avoid being bitten.

Scientific Name:
Meles meles
Common Name:
Badger

Scientific Name:
Vulpes vulpes
Common Name: Fox

Scientific Name:
Rattus Rattus
Common Name: Rat

Scientific Name:
Apodemus sylvaticus
Common Name:
Field/wood Mouse

Scientific Name:
Erinaceus europaeus
Common Name:
Hedgehog

Scientific Name:
Vipera berus
Common Name:
Adder

Scientific Name:
Oryctolagus cuniculus
Common Name:
Rabbit

Scientific Name:
Mustela erminea
Common Name:
Stoat

Scientific Name:
Sciurus vulgaris
Common Name: Red
Squirrel

Scientific Name:
Sciurus carolinensis
Common Name: Grey
Squirrel

Scientific Name:
Lepus europaeus
Common Name:
Hare
