Objective(s) Achieved				✓		Overall I have had a fantastic experience completing these sessions with the children. I have been surprised by the direction the lessons took me in and I am glad I did evaluate each session at the end, it helped inform what I was going to do for my next session.
Lesson resources well prepared				✓		
Needed equipment present and stored safely				✓		
Support understands their role/tasks				✓		I have learnt that I need to think carefully about the activities I choose to ensure they appropriate for the group I am teaching. Activities for younger children may not work with the older children. I also appreciate the need for a good physical activity at the start of the session to get the children going.
Pupils/clients arrive with correct personal equipment				✓		
Engagement/ Challenge				✓		I have particularly enjoyed the free sessions where the children can choose how they will complete the task. When planning future sessions I would try and create more opportunities for the play element. The children did also seem to enjoy the structured skills learning sessions.
Behavior				✓		
Different Learning Styles provided for			✓			
Opportunities to Play and Explore			✓			
Opportunities for Risk Taking				✓		
Were the risks managed safely				✓		The thing I have enjoyed most about these session has been the change in the children. I have seen an improvement in behaviour, self-esteem and confidence from every single on of them. I can't wait to run my next sessions.
