Objective(s) Achieved					✓	<p><b>Activity 1:</b> Children loved this game as it was very boisterous and involved a little controlled rough and tumble, it led very well into the next activity.</p> <p><b>Activity 2:</b> This activity surprised me I thought that the children would form little groups and go off together to do the activity, hence why I had provided so much equipment. However the group made a 'Survival Base together. It included ideas for shelter, water, food and protection.</p> <p><b>Activity 3:</b> This was a nice chance for me to reflect with the children has hear about what they had liked about the sessions. They all felt it was a shame the six sessions were coming to an end.</p> <p>Very happy with this session. It was a great way to end the series of sessions.</p>
